

TrackDayChecklist

Note: Some of these things don't apply to a person in a streetcar, so don't stress out if you don't have a neck brace.

Required

- **Snell 2005 rated HELMET** – SA rated is preferred, but M is ok
- **Tech Form** – Important! Print it, fill it out, sign it, and turn it in.
- **Car Numbers** – required on both sides of the car and rear, a minimum of eight inches high (we will have racer's tape available at the track for this purpose)
- **Cotton or Nomex clothing ONLY.** No leather or synthetics allowed, so leave those leather pants at home no matter how good you look in em.

Highly Recommended (not strictly required)

- Tow hook installed or tow point established
- Driving Suit **or** long sleeve cotton shirt and cotton pants (although we allow short sleeve shirts and shorts, it is highly discouraged and potentially harmful in the case of an accident)
- Fire Extinguisher (please don't mount this to your a-pillar. Cmon son.)
- Extra Brake Pads
- Brake Fluid
- Drinking Water (we usually have water at the track, but just in case we run out...)
- Engine Oil - bring an extra quart or two, just in case
- Hat – stay cool in the sun!
- Sunglasses – they make you look cool.
- Sun Screen – the spray kind is best
- Folding chair

Optional

- Duct tape
- Zipties
- Distilled Water – For your Radiator
- Windex - You will kill many bugs on your way to the track.
